REASONING ABILITY TEST

Questions once submitted/skipped cannot be attempted again.

Question 2

Direction: The question below consists of a question and two statements numbered I and II given. You have to decide whether the data provided in which of answer the question. Choose your answer from the options based on this. How long was the director's speech? I. The director spoke 35 words per minute. II words per minute, his speech would have lasted 8 more minutes. (Choose one solution)

virupakshpandey@gmail.com, please provide your response below

- ◯ The data in statement I alone is sufficient to answer the question while the data in statement II alone is not sufficient to answer the question.
- ◯ The data in statement II alone is sufficient to answer the question while the data in statement I alone is not sufficient to answer the question.
- ◯ The data either in statement I alone or in statement II alone is sufficient to answer the question.
- ◯ The data in both statements I and II together is necessary to answer the question.

Question 8

8 of 20

For a job, a candidate must fulfil the following criteria: 1. The age should be from 23 to 27 as on 1st January 2021. 2. Must have secured at least 65% marks in graduation. 3. Must have done post-graduation with at least 60% marks. 4. Must have an experience of at least 2 years. 5. Must have secured at least 60% in written test and 70% in interview. In the case of candidate who fulfills all conditions except – (a) At (ii) above, but is a post graduate with at least 70% marks, his case to be referred as Manager. (b) at (iv) above, but has secured at least 80% marks in interview and at least 80% marks in written test, his case to be referred as Assistant. In question below, details of a candidate are provided followed by a question and 4 courses of action. Select the course of action that applies to the person's candidature. Ramesh was born on 20 May 1995. He secured 65% marks in graduation. He secured 70% marks in post graduation. He also secured 70% marks in both written test and interview. He has an experience of 3 years. (Choose one solution)

amiablesweta19@gmail.com, please provide your response below

- ○ The candidate is selected.
- ○ The candidate is not selected.
- ○ The candidate will be referred to Assistant.
- ○ The candidate will be referred to manager.

Question 12

12 of 20

Following are the criteria for selecting a English-Hindi translator by a company. The candidate: 1. Must hold a graduate degree, with Hindi and English language as main subjects, from any recognised university. 2. Must be between 23 to 28 years of age. 3. Must have a certificate course in Translation. 4. Must have at least 1 years of post-qualification experience. 5. Must be fluent in both Hindi and English. However, if a candidate I. Fulfills all conditions except condition 1 then he/she must have at least 3 years of relevant experience. In such a case, the case will be referred to the managing director. II. Fulfils all conditions except condition 4 then he/she must have a Post graduate degree in Hindi literature. In such a case, the case will be referred to the CEO. Answer following question based on above information: Ritika has done a graduate degree in Hindi as well as English language. She is 25 years old and has 1.5 years post-qualification experience. She is fluent in both English and Hindi. She has a certification in translation. Based on above information, which of the following is true?
(Choose one solution)

shravanigurram77@gmail.com, please provide your response below

- Ritika's case is referred to CEO
- Ritika is selected for the post
- Ritika is not selected for the post
- Ritika's case is referred to managing director

Following are the criteria for selecting a English-Hindi translator by a company. The candidate: 1. Must hold a graduate degree, with Hindi and English language as main subjects, from any recognised university. 2. Must be between 23 to 28 years of age. 3. Must have a certificate course in Translation. 4. Must have at least 1 years of post-qualification experience. 5. Must be fluent in both Hindi and English. However, if a candidate I. Fulfills all conditions except condition 1 then he/she must have at least 3 years of relevant experience. In such a case, the case will be referred to the managing director. II. Fulfils all conditions except condition 4 then he/she must have a Post graduate degree in Hindi literature. In such a case, the case will be referred to the CEO. Answer following question based on above information: Ritika has done a graduate degree in Hindi as well as English language. She is 25 years old and has 1.5 years post-qualification experience. She is fluent in both English and Hindi. She has a certification in translation. Based on above information, which of the following is true? (Choose one solution)

harshitaharry216@gmail.com, please provide your response below
