📦 2. Source Provenance Breakdown (Where Every Question Came From)

Every question in this repository traces its origin to authoritative Infosys recruitment papers, paid prep kits, and actual slots:

Original Extraction Source Origin	Total Verified Questions	Origin Description
Consolidated Master Repository (Deduplicated Canonical Bank)	`14,940`	Authentic slot papers, mock simulations & topic banks
OnlineStudy4U Official Full-Length Simulation Tests	`1,572`	Authentic slot papers, mock simulations & topic banks
English Grammar & Verbal Written Ability Complete Vault	`1,415`	Authentic slot papers, mock simulations & topic banks
Infosys SE Core Subject Bank (03_Verbal_Ability)	`1,303`	Authentic slot papers, mock simulations & topic banks
CampusMonk 47-Day Master Mock Series (Day 01-47)	`1,035`	Authentic slot papers, mock simulations & topic banks
Infosys Full-Length 100-Minute Master Mock Test	`924`	Authentic slot papers, mock simulations & topic banks
Infosys SE Core Subject Bank (02_Mathematical_Ability)	`610`	Authentic slot papers, mock simulations & topic banks
Infosys SE Core Subject Bank (04_Pseudocode_and_Technical)	`567`	Authentic slot papers, mock simulations & topic banks
Infosys Topicwise Timed Mock Test Series	`440`	Authentic slot papers, mock simulations & topic banks
College ITM Official Campus Placement Examination Papers	`420`	Authentic slot papers, mock simulations & topic banks
PrepInsta Official Infosys Systems Engineer Test Vault	`303`	Authentic slot papers, mock simulations & topic banks
Infosys SE Core Subject Bank (05_Puzzle_Solving)	`158`	Authentic slot papers, mock simulations & topic banks
Infosys SE Core Subject Bank (08_Previous_Year_Questions_PYQs)	`135`	Authentic slot papers, mock simulations & topic banks
Topmate Paid Exam Prep Collection (Authentic Exam Slot)	`126`	Authentic slot papers, mock simulations & topic banks
Logical Reasoning.pdf (Module 15 Scan Book Logical Reasoning)	`59`	Authentic slot papers, mock simulations & topic banks
Infosys Sectional Timed Mock Test Series	`59`	Authentic slot papers, mock simulations & topic banks
Top 50 Most Frequently Repeated Infosys PYQs	`50`	Authentic slot papers, mock simulations & topic banks

Original Extraction Source Origin	Total Verified Questions	Origin Description
Mirror Imge_QUESTIONS.json (Module 11 _ Dice Mirror Image Water)	`30`	Authentic slot papers, mock simulations & topic banks
Water Image_QUESTIONS.json (Module 11 _ Dice Mirror Image Water)	`30`	Authentic slot papers, mock simulations & topic banks
Number Puzzles_QUESTIONS.json (Module 11 _ Dice Mirror Image Water)	`30`	Authentic slot papers, mock simulations & topic banks

🔍 3. How to Instantly Locate Any Question & Trace Its Provenance

Agar aap kisi bhi question ka snippet, keyword, ya ID denge, to `find_question.py` aur master SQLite database se turant pata chal jayega ki:
1. **Kis Folder aur File me hai:** Exact relative file path.
2. **Kis Line number par hai:** Exact start line aur end line.
3. **Kahan se uthaya gaya hai (Origin):** Topmate, CampusMonk Day X, PrepInsta, College ITM Exam Paper, ya Actual Slot (Oct 2, Oct 11, etc.).
4. **Options, Answer aur Solution kya hai:** Complete step-by-step mathematical derivation aur figure path.

Example CLI Queries:

```
# 1. Search by exact phrase or words
python find_question.py "wrong letter in the following series"

# 2. Search by Question ID
python find_question.py --id "SEC01_MOD01_Q01"

# 3. Search questions from a specific origin
python find_question.py --source "Topmate" --limit 3

# 4. Search within a specific section
python find_question.py "circular table" --section "Reasoning"
```

💡 4. Top 10 Verified Origin Provenance Categories

1. **Topmate Paid Master Vault (Slot 2026)**: Authentic memory-based questions from recent 2026/2025 hiring slots with verified keys.
