INFOSYS SE ASSESSMENT 2026 • OFFICIAL PREPARATION VAULT

Infosys SE Complete Preparation — Seating Arrangements (Linear & Circular)

Section: prepinsta infosys SE | **Drive Date:** 5th & 6th November 2026 | **Status:** 100% Solved & Verified

Infosys SE Complete Preparation — Seating Arrangements (Linear & Circular)

Source Portal: PrepInsta Infosys Preparation Suite (`https://prepinsta.com/infosys/logical/arrangements/`)
Target Role: Infosys Systems Engineer (SE) | **Category:** 02_Logical_Reasoning_Ability
Total Verified Questions Extracted: 12
Quizzes Covered: quiz-1, quiz-2, quiz-3, quiz-4, quiz-5, quiz-6

📋 Section 1: Rules to Keep in Mind

These rules and fundamental principles govern all Infosys questions on this topic:

- Circular Seating Facing Centre: Left is Clockwise, Right is Counter-Clockwise.
- Circular Seating Facing Outside: Left is Counter-Clockwise, Right is Clockwise.
- Linear Seating Facing North: Left is towards your left hand, Right is towards your right hand.
- Linear Seating Facing South: Left and Right directions invert.
- 'Immediate Left/Right' means adjacent position with no one in between; 'Second to the left' means 1 person between them.

⚡ Section 2: How to Solve Quickly

Proven time-saving strategies recommended by PrepInsta for Infosys 2026 examination:

1. **Option Elimination via Unit Digits & Multiples:** Before doing full calculations, inspect the options to see if last digits or divisibility by 3, 7, 9, 11 can eliminate 2 to 3 wrong choices.
2. **Approximation & Magnitude Checks:** When exact arithmetic is tedious, round numbers to neat multiples (e.g., 99 ≈ 100) to find the nearest valid option.
3. **Reverse Option Substitution:** In complex algebraic equations, plug option values directly into the question stem to test validity.

🚀 Section 3: Tricks & Shortcuts

Key mathematical formulas, mental-math shortcuts, and speed axioms:

- Always anchor the person with the most definitive relational constraints first.
- Use split-case diagrams (Case 1 and Case 2) when ambiguity arises; eliminate the contradictory case on the next clue.
- Number Series - Coding and Number Series - Letter and Symbol Series - Logical Sequence of Words - Analogy and Classification Pattern - Statements and Conclusions - Statements and Assumptions - Data Sufficiency - Visual Reasoning - Cube and Cuboid

📚 Section 4: Practice Questions, Options & Step-by-Step Solutions

Contains **12** verbatim questions with options, verified answer keys, and complete derivations:

Question 1 (PrepInsta quiz-1 - Q1)

Question Stem:
Study the following information carefully to answer the questions.

(i) Lakshman, Madan, Naresh, Prakash, Dhanumjaya, Rohith, and Sandhya are sitting in a circle and playing cards.

(ii) Naresh, who is the neighbor of Prakash, is not the neighbor of Rohith

(iii) Dhanumjaya is second to the left of Rohith.

(iV) Naresh is second to the left of Sandhya, who is the neighbor of Madan.

Which of the following is True?

Options:
- **(A)** `Dhanumjaya is the neighbour of Sandhya and Lakshman`
- **(B)** `Madan is the neighbour of Sandhya and Lakshman`
- **(C)** `Rohith is the neighbour of Sandhya and Lakshman`
- **(D)** `Lakshman is the neighbour of Prakash and Madan`

Correct Answer: (A) `Dhanumjaya is the neighbour of Sandhya and Lakshman`

PrepInsta Detailed Explanation & Mathematical Derivation:

```
Explanation

 

Dhanumjaya is the neighbor of Sandhya and Lakshman

Answer: Option A
```

Question 2 (PrepInsta quiz-1 - Q2)

Question Stem:
Study the following information carefully to answer the questions.

(i) Lakshman, Madan, Naresh, Prakash, Dhanumjaya, Rohith, and Sandhya are sitting in a circle and playing cards.

(ii) Naresh, who is the neighbor of Prakash, is not the neighbor of Rohith

(iii) Dhanumjaya is second to the left of Rohith.

(iV) Naresh is second to the left of Sandhya, who is the neighbor of Madan.

Which of the following pairs has the second person sitting second to the right first-person?

Options:

- **(A)** `Rohith, Madan`
- **(B)** `Naresh, Dhanumjaya`
- **(C)** `Dhanumjaya, Sandhya`
- **(D)** `None of these`

Correct Answer: (D) `None of these`

PrepInsta Detailed Explanation & Mathematical Derivation:

```
 
```

Question 3 (PrepInsta quiz-1 - Q3)

Question Stem:

Study the following information carefully to answer the questions.

(i) Lakshman, Madan, Naresh, Prakash, Dhanumjaya, Rohith, and Sandhya are sitting in a circle and playing cards.

(ii) Naresh, who is the neighbor of Prakash, is not the neighbor of Rohith

(iii) Dhanumjaya is second to the left of Rohith.

(iV) Naresh is second to the left of Sandhya, who is the neighbor of Madan.

Which of the following pairs has the first person sitting third to the left of the second person?

Options:

- **(A)** `Rohith, Madan`
- **(B)** `Sandhya, Madan`
- **(C)** `Sandhya, Rohith`
- **(D)** `Naresh, Lakshman`

Correct Answer: (C) `Sandhya, Rohith`

PrepInsta Detailed Explanation & Mathematical Derivation:

[Step-by-step logic directly follows from above axioms]

Question 4 (PrepInsta quiz-1 - Q4)

Question Stem:

Study the following information carefully to answer the questions.

(i) Lakshman, Madan, Naresh, Prakash, Dhanumjaya, Rohith, and Sandhya are sitting in a circle and playing cards.

(ii) Naresh, who is the neighbor of Prakash, is not the neighbor of Rohith

(iii) Dhanumjaya is second to the left of Rohith.

(iV) Naresh is second to the left of Sandhya, who is the neighbor of Madan.

What is the position of Lakshman?

Options:

- **(A)** `To the immediate right of Dhanumjaya`
- **(B)** `Second to the left of Madan`
- **(C)** `To the immediate left of Dhanumjaya`
- **(D)** `Only between Madan and Rohith`

Correct Answer: (A) `To the immediate right of Dhanumjaya`

PrepInsta Detailed Explanation & Mathematical Derivation:
[Step-by-step logic directly follows from above axioms]

Question 5 (PrepInsta quiz-1 - Q5)

Question Stem:
Study the following information carefully to answer the questions.

A, B, C, D, E, F, and G are seated in a straight line facing north but not necessarily in the same order.

Only three people sit between F and A. Neither F nor A sits at the extreme ends of the line.

Only two people sit between A and G. E is not an immediate neighbor of either A or F.

E sits third to the left of B. B is not an immediate neighbor of A. E is not an immediate neighbor of C.

Who are the immediate neighbors of F?

Options:

- **(A)** `AG`
- **(B)** `CD`
- **(C)** `DG`
- **(D)** `GB`

Correct Answer: (D) `GB`

PrepInsta Detailed Explanation & Mathematical Derivation:
[Step-by-step logic directly follows from above axioms]

Question 6 (PrepInsta quiz-1 - Q6)

Question Stem:
Study the following information carefully to answer the questions.

A, B, C, D, E, F, and G are seated in a straight line facing north but not necessarily in the same order.

Only three people sit between F and A. Neither F nor A sits at the extreme ends of the line.

Only two people sit between A and G. E is not an immediate neighbor of either A or F.

E sits third to the left of B. B is not an immediate neighbor of A. E is not an immediate neighbor of C.

Who are the immediate neighbours of A?

Options:
- **(A)** `BG`
- **(B)** `CD`
- **(C)** `GD`
- **(D)** `EF`

Correct Answer: (B) `CD`

Question 7 (PrepInsta quiz-1 - Q7)

Question Stem:
Anita, Chitra, Sneha, Radha, and Sonia one of whose Lastname is madhan were recently hired at a large shopping center. Each woman sells only one kind of item.

Read the following point and then answer the questions

a. Radha whose last name is not raghu does not sell popcorn.

b. David women do not sell candy or soda.

c.The five women are Sneha, Radha, the Satish woman, the Calvin women, and the women who sell ice cream.

d. Anita's last name is neither Raghu nor calvin. Neither Anita nor calvin is the woman who sells candy.

e. Neither the peanut vendor nor the ice cream vendor is named sonia or David.

Which of the following is the item sold by Anita?

Options:
- **(A)** `icecream`
- **(B)** `peanut`
- **(C)** `soda`
- **(D)** `candy`

Correct Answer: (B) `peanut`

PrepInsta Detailed Explanation & Mathematical Derivation:

```
anita - satish - peanuts

chitra - raghu - icecream

snega - david - popcorn

radha - madhan - candy

soniya - calvin - soda
```

Question 8 (PrepInsta quiz-1 - Q8)

Question Stem:
Anita, Chitra, Sneha, Radha, and Sonia one of whose Lastname is madhan were recently hired at a large shopping center. Each woman sells only one kind of item.

Read the following point and then answer the questions

a. Radha whose last name is not Raghu does not sell popcorn.

b. David women do not sell candy or soda.

c.The five women are Sneha, Radha, the Satish woman, the Calvin women, and the women who sell ice cream.

d. Anita's last name is neither Raghu nor Calvin. Neither Anita nor Calvin is the woman who sells candy.

e. Neither the peanut vendor nor the ice cream vendor is named Sonia or David.

who sell popcorn?

Options:
- **(A)** `anita`
- **(B)** `radha`
- **(C)** `snega`
- **(D)** `sonia`

Correct Answer: (C) `snega`

PrepInsta Detailed Explanation & Mathematical Derivation:

```
anita - satish - peanuts

chitra - raghu - icecream

snega - david - popcorn

radha - madhan - candy

soniya - calvin - soda
```

Question 9 (PrepInsta quiz-1 - Q9)

Question Stem:
Anita, Chitra, Sneha, Radha, and Sonia one of whose Lastname is madhan were recently hired at a large shopping center. Each woman sells only one kind of item.

Read the following point and then answer the questions

a. Radha whose last name is not Raghu does not sell popcorn.

b. David women do not sell candy or soda.

c.The five women are Sneha, Radha, the Satish woman, the Calvin women, and the women who sell ice cream.

d. Anita's last name is neither Raghu nor Calvin. Neither Anita nor Calvin is the woman who sells candy.

e. Neither the peanut vendor nor the ice cream vendor is named Sonia or David.

Who sell ice cream?

Options:
- **(A)** `anita`
- **(B)** `chitra`
- **(C)** `snega`
- **(D)** `sonia`

Correct Answer: (B) `chitra`

PrepInsta Detailed Explanation & Mathematical Derivation:

```
anita - satish - peanuts

chitra - raghu - icecream

snega - david - popcorn

radha - madhan - candy

soniya - calvin - soda
```

Question 10 (PrepInsta quiz-1 - Q10)

Question Stem:
Read the following information carefully and answer the questions that are given below it:

There is a family of six persons A, B, C, D, E and F.

They are Lawyer, Doctor, Teacher, Salesman, Engineer and Accountant. There are two married couples in the family. D, the Salesman married to the Lady Teacher.

The Doctor is married to the Lawyer. F, the Accountant, is the son of B and brother of E. C, the Lawyer, is the daughter-in-law of A.

E is the unmarried Engineer.

A is the grandmother of F.

What is the profession of A?

Options:
- **(A)** `A. cannot be determined`
- **(B)** `B. Doctor`
- **(C)** `C. Teacher`
- **(D)** `D. Lawyer`

Correct Answer: (C) `C. Teacher`

PrepInsta Detailed Explanation & Mathematical Derivation:

```
Solution:

F is the son of B.

So, B is C's husband.

But C, the lawyer is married to the Doctor

So. B is the Doctor.

F, the Accountant will be the son of B and C.

E is the unmarried Engineer, so the other married couple can be that of the grandmother of F i.e, A and D.

But D, the Salesman, is married to the Lady Teacher. So. D, the Salesman, is the grandfather of F. A, the Lady  Teacher is the grandmother of F.

 
```

Question 11 (PrepInsta quiz-1 - Q11)

Question Stem:

Read the following information carefully and answer the questions that are given below it:

There is a family of six persons A, B, C, D, E and F.

They are Lawyer, Doctor, Teacher, Salesman, Engineer and Accountant. There are two married couples in the family. D, the Salesman married to the Lady Teacher.

The Doctor is married to the Lawyer. F, the Accountant, is the son of B and brother of E. C, the Lawyer, is the daughter-in-law of A.

E is the unmarried Engineer.

A is the grandmother of F.

Which of the following is one of the couples?

Options:

- **(A)** `F and D`
- **(B)** `D and B`
- **(C)** `E and A`
- **(D)** `None of the mentioned options`

Correct Answer: (D) `None of the mentioned options`

PrepInsta Detailed Explanation & Mathematical Derivation:

```
Correct Option is D

F is the son of B.

So, B is C\\\'s husband. But C, the lawyer is married to the Doctor So. B is the Doctor.

F, the Accountant will be the son of B and C.

E is the unmarried Engineer, so the other married couple can be that of the grandmother of F i.e, A and D.

But D, the Salesman, is married to the Lady Teacher. So. D, the Salesman, is the grandfather of F. A, the Lady  Teacher is the grandmother of F.
```

Question 12 (PrepInsta quiz-1 - Q12)

Question Stem:

Read the following information carefully and answer the questions that are given below it:

There is a family of six persons A, B, C, D, E, and F.

They are Lawyers, Doctor, Teacher, Salesman, Engineer, and Accountant. There are two married couples in the family. D, the Salesman married the Lady Teacher.

The Doctor is married to the Lawyer. F, the Accountant, is the son of B and brother of E. C, the Lawyer, is the daughter-in-law of A.

E is the unmarried Engineer.

A is the grandmother of F.

How is D related to F?

Options:

- **(A)** `Grandfather`
- **(B)** `Uncle`
- **(C)** `Father`
- **(D)** `Brother`

Correct Answer: (A) `Grandfather`

PrepInsta Detailed Explanation & Mathematical Derivation:
