"somnus + ferous = brings sleep" • **S:** soporific, sleep-inducing, hypnotic, sedative ↔ **A:** invigorating, stimulating, restorative
The monotonous theory lecture had a predictably somniferous effect on ...

#28 **SOMNAMBULIST** `[SOMNUS (sleep) + AMBULARE (to walk)]` = a person who walks around while asleep
"sleep + ambul (walk) + ist" • **S:** sleepwalker, noctambulist ↔ **A:** sleeper, wakeful person
The somnambulist opened the apartment front door without ever wakin...

#29 **AMBULANT** `[AMBULARE (to walk)]` = able to walk about; not bedridden
"ambulance moves; ambulant walks" • **S:** mobile, walking, ambulatory, active ↔ **A:** bedridden, immobile, paralyzed
Within two days after minor surgery, the patient was ambulant again.

#30 **SOMNILOQUIST** `[SOMNUS (sleep) + LOQUI (to speak)]` = a person who talks while asleep
"somn (sleep) + loqu (talk) + ist" • **S:** sleep-talker ↔ **A:** silent sleeper
His college roommate was a persistent somniloquist who solved code alo...

#31 **CHRONIC** `[CHRONOS (time)]` = persisting for a long time or constantly recurring
"chronic = long duration in time" • **S:** long-lasting, persistent, lingering, endemic ↔ **A:** acute, fleeting, transient, short-lived
The server experienced chronic latency issues due to unindexed database...

#32 **CHRONOLOGICAL** `[CHRONOS (time) + LOGOS (order)]` = arranged in the exact order of time
"chrono = time order" • **S:** sequential, consecutive, historical, temporal ↔ **A:** random, sporadic, jumbled
Please list your academic qualifications and project milestones in chrono...

#33 **SYNCHRONIZE** `[SYN (together) + CHRONOS (time)]` = cause to occur or operate at the same time
"syn (same) + chron (time)" • **S:** coordinate, harmonize, match, align ↔ **A:** desynchronize, mismatch
The distributed nodes synchronize their timestamps using the Network T...
