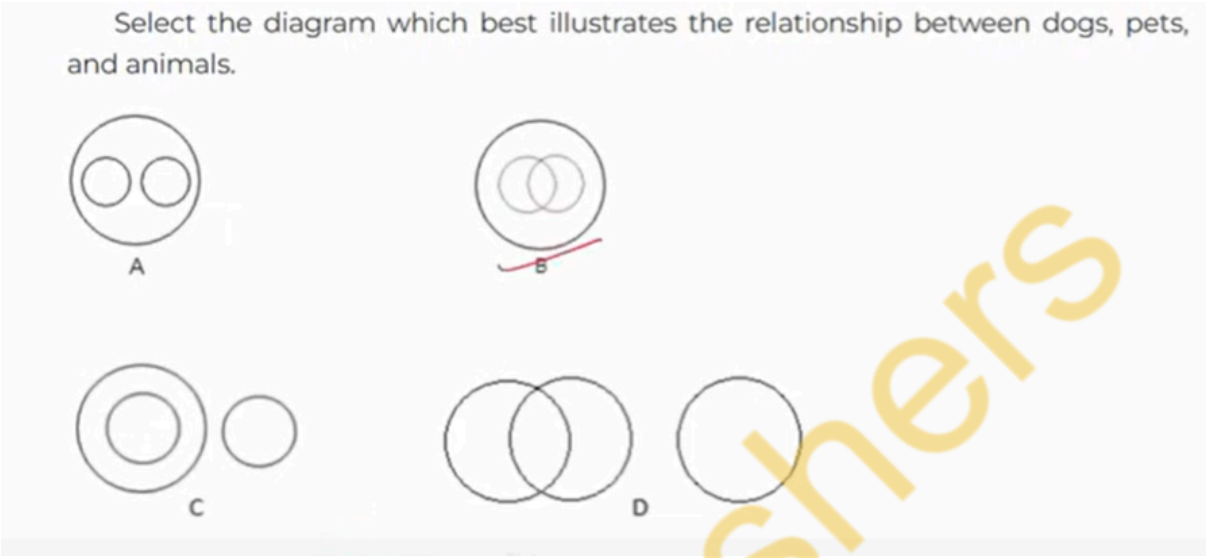
Q1.

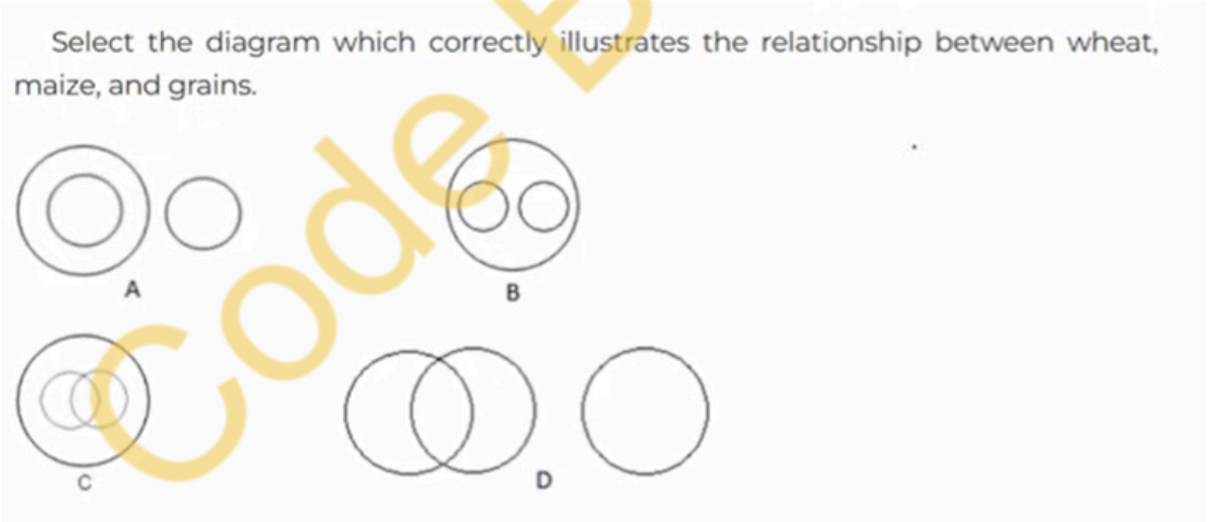
Select the diagram which best illustrates the relationship between dogs, pets, and animals.



Answer : B

Q2.

Select the diagram which correctly illustrates the relationship between wheat, maize, and grains.



Answer :B

Code Bashers

Q3.

Who is the mother of B?

I. P and Q are sisters.
II. Q's husband is the brother of B's husband.

1. Statement I alone is sufficient, but statement II alone is not sufficient
2. Statement II alone is sufficient, but statement I alone is not sufficient
3. Either I or II is sufficient
4. Data in both the statements together are not sufficient
5. Both I and II are needed

Answer : 4

Q4.

It is 6:00 pm, when can Deepak get next bus from Noida to Delhi?

I. Buses for Delhi leave after every 30 minutes, until 11 pm.
II. 20 minutes ago, a bus has left for Delhi.

1. Statement I alone is sufficient, but statement II alone is not sufficient
2. Statement II alone is sufficient, but statement I alone is not sufficient
3. Either I or II is sufficient
4. Data in both the statements together are not sufficient
5. Both I and II are needed

Answer :5

Q5.

On which day of the week did Sohan reach Mumbai?

I. Sohan left Delhi by train on Wednesday.
II. Sohan stayed in Jaipur for one day and completed his journey in two days.

1. Statement I alone is sufficient, but statement II alone is not sufficient
2. Statement II alone is sufficient, but statement I alone is not sufficient
3. Either I or II is sufficient
4. Data in both the statements together are not sufficient
5. Both I and II are needed
